

The visibility you need to improve  
outcomes and reduce costs.

Soon, it'll all be clear to you. Visit the TyMetrix booth at the ACC Conference, October 25-27, where we'll unveil TyMetrix 360°, our new integrated law department management solution. It'll provide visibility—and insights—into every corner of your law department. To schedule a demonstration, contact Matt Den Ouden at 860-240-9635 or [mdenouden@tymetrix.com](mailto:mdenouden@tymetrix.com).
