

CT TyMetrix 360°

A Flexible, Scalable Solution that Evolves with Your Needs

Only CT TyMetrix 360° has everything you need to manage the business of law—on any organizational scale. Based on your company's size and requirements, you can choose from three levels of features and service: Professional,

Premium and Platinum. You can even select from a variety of pricing models to suit your budget requirements. CT TyMetrix 360° is modular, so you can opt to start with a single module—e-billing, matter management, budgeting and forecasting, or reporting—and add others when you're ready.

Gain the perspective to manage the business of law from every angle—with the corporate world's leading solution for e-billing and matter management.

CT TyMetrix 360° unifies processes and transforms data into the meaningful metrics that reduce costs, strengthen strategic planning and improve collaboration with outside counsel. It's your answer to an increasingly complex legal world—all on a single, easy-to-use platform.

GET THE 360° VIEW YOU NEED

From your intuitive, personalized home page, you can get the big picture and answer the most demanding questions in just a few clicks. This portal to your entire practice includes configurable management reports, profiles of matters, vendors, and invoices—providing immediate access to relevant information and alerting you to top priorities.

E-BILLING MADE EASY

Review by exception to save time and zero in on what matters with the industry's most powerful invoice testing engine and integrated e-billing and matter/claim management solution. CT TyMetrix 360° automatically enforces your existing rules and screens invoices against outside counsel guidelines, then flags or rejects any exceptions.

MATTER MANAGEMENT TOOLS MIRROR THE WAY YOUR ORGANIZATION WORKS

CT TyMetrix 360° integrates all needed financial data and case documents for every matter or claim. Based on categories that match your organizational structure, you can view total fees and expenses, timekeepers, case status and age, and budget figures for any matter at a glance. Now all of your matters, documents, notes and tasks can be quickly viewed from the core matter or claim.

ACTIVE, INTEGRATED REPORTING AND DATA ANALYSIS

CT TyMetrix 360° delivers the legal industry's most powerful tools to translate raw numbers into meaningful metrics and share reports on everything from case updates to departmental business forecasts. Matter and e-billing reports are formed by the intelligence of the entire solution, which grows in richness and value as you aggregate data.

The best-in-class solution to reduce costs and improve performance—all from a single, easy-to-use platform.

MATTER MANAGEMENT

- Single-click access to all matter-related information—documents, budgets, fees and expenses, matter team, invoices and more
- Flexible data capture requirements by matter type, area, or organizational unit
- Controlled law firm access to selected areas and functions
- Collaborative task engine
- Document management
- Calendaring
- Configuration tools to add/edit/delete dynamic fields
- Data import/export utility
- Matter copying tools
- Matter grouping
- Matter management reporting

E-BILLING

- Electronic invoice submission
- Invoice entry tool
- Invoice testing for compliance with counsel guidelines
- Invoice status tracking
- Group and line-item adjustments by percent or amount

- Configurable and exportable payment file
- Invoice review display of contextual information
- Industry standard formats for submission, fees and expenses
- International currency

REPORTING

- Law department management reports
- Accounts payable and audit reporting
- Counsel performance and selection reports
- Standard report templates and *ad hoc* report generation
- Matter and e-billing reports throughout the system
- Personalized grid displays with charts and graphs
- Report Creation and Publication Wizard to share reports
- Filtering functionality to define the dataset
- Intuitive “drill down” and “drill through” functionality
- Template Manager to easily administer reoccurring reports
- Snapshot and refresh capability for trend analysis

CT TyMetrix 360°

Strong Partners, Smart Solutions

By every measure—from product functionality to clients served to revenue and growth—CT TyMetrix is the market leader. And the most important measure of all is our clients' success. Like every offering in CT's family of solutions, CT TyMetrix 360° is built on a deep understanding of the way corporate counsel/claims professionals and their law firms work.

CT TyMetrix is part of CT, which pioneered the corporate legal services industry more than 100 years ago. Headquartered in New York, CT leads the industry with a comprehensive suite of integrated workflow tools and services that help corporate legal departments and law firms become more efficient and effective. CT is a company of Wolters Kluwer, a leading multinational publisher and information services company with headquarters in Amsterdam, the Netherlands.
